MESSAGE FROM THE PRESIDENT

ANDY LARSON
Cunningham Engineering Corp

Dear Current and Future Sponsors:

It's an honor to serve as President of SMPS Sacramento.

Our Chapter's 40-year legacy is a testament to the dedication of our members, volunteers, and—most importantly—our sponsors. Your support makes it possible for us to deliver meaningful programming, professional development, and networking opportunities that strengthen the entire A/E/C community.

Your sponsorship directly fuels high-quality events, cutting-edge education, and lasting industry connections. Every dollar helps us bring in speakers, resources, and forums that empower A/E/C professionals and firms to thrive in an ever-evolving market.

SMPS sponsorship is more than visibility—it's a partnership. Your investment connects your firm with a powerful network of 7,000+ A/E/C professionals nationwide, including many ENR Top 500 Design Firms and Top 400 Contractors. Through SMPS, your firm gains access to knowledge, collaboration, and a platform that elevates your brand.

Take advantage of our early renewal offer: **secure your 2026 sponsorship by January 30th and receive 10% off your 12-month commitment.**

Thank you for helping us sustain a thriving professional community and shape the next generation of A/E/C leaders.

Warm regards,

A handwritten signature in black ink, appearing to read 'Andy Larson'. The signature is fluid and cursive, with a large initial 'A'.

Andy Larson
Marketing & Recruitment Manager
Cunningham Engineering
President, SMPS Sacramento

A/E/C MARKETING IN THE CAPITAL AREA

Where connections create opportunity

The Society for Marketing Professional Services (SMPS) is the only organization dedicated to advancing marketing and business development for the architecture, engineering, and construction (A/E/C) industry. With over 7,400 members across 61 chapters nationwide, SMPS connects professionals who turn client relationships into business success.

Here in California's Capital Region, SMPS Sacramento brings together a vibrant network of marketers, business developers, and firm leaders who are shaping the communities of tomorrow—one project, partnership, and proposal at a time. From infrastructure to innovation, our members represent firms that design and build the future of the region.

Find Your Tribe in the A/E/C Industry: For many professionals, marketing in the A/E/C world means being part of a small team—or sometimes a team of one. SMPS Sacramento creates a space where peers become partners, mentors, and friends. Our members share insights, celebrate wins, and tackle challenges together—because no one understands this work quite like those who live it every day.

“In a field where marketing teams are often small—or even a team of one—SMPS creates a community where peers become partners, mentors, and friends.”

— April Willoughby
Senior Marketing Manager, BOLDT

“Partnering with SMPS Sacramento has connected us with incredible A/E/C Marketing professionals and provided exceptional events that help elevate our presence in the industry.”

— Kayla DeHavenl
S+B JAMES CONSTRUCTION

Why Members Join (and Stay)

Build a Powerful Network: SMPS connects you to professionals from every corner of the A/E/C industry. Exchange ideas, share best practices, and grow relationships that open doors across the region and beyond.

Sharpen Your Skills: Through programs, workshops, and national resources, SMPS helps you elevate your marketing strategies, storytelling, and business acumen—skills that make your firm stronger and your career more rewarding.

Gain Leadership Experience: SMPS is a hands-on organization where you can lead committees, plan events, manage budgets, and build the confidence that comes with real-world leadership.

Differentiate Your Firm: SMPS empowers you to apply the Six Domains of Practice—research, planning, client relations, proposals, promotional activity, and management—to position your firm for sustained success.

Amplify Your Influence: Whether you're just starting out or leading a team, SMPS gives you tools and connections to make a greater impact in your firm, your career, and the A/E/C industry at large.

- One door prize sponsor per event

SMPS not only helps us to position our company is an industry leader but also creates professional development and networking opportunities connecting our communities and growing our business.

— Christopher Wilson
Vice President, Buildings, Stantec

ADDITIONAL SPONSORSHIP OPPORTUNITIES

IN-KIND SPONSORSHIPS*

Venue Sponsor

Description: Serve as the official venue provider of SMPS Sacramento events ranging from programs, education events, and happy hours. Sponsorship levels and benefits vary depending on the size of the venue. Benefits: Use of your venue space in exchange for the following annual benefits:

- Recognition on event announcement email blasts and social media posts promoting events.
- Recognition in the SMPS Sacramento monthly e-newsletter (distributed to a combined 1000+ members and industry partners). Recognition includes a logo, 100-word description, and a dedicated section of the newsletter promoting media announcements (upcoming publications, events, and advertising/subscription specials)
- Day-of on-site signage, and sponsor introduction

Annual Signage Sponsor

Description: Exclusive sponsor of all promotional and directional signage (sponsor and - wayfinding signage) for SMPS Sacramento's programs, education, and special events.

Benefits:

- Logo on all signage
- One event registration for every program, education, and special event
- Firm name/logo listed on all social media, email (distributed to a combined 1000+ members and industry partners), and registration communications for the event

Annual Media Sponsor

Description: Serve as the "official" media sponsor of SMPS Sacramento's events. As the media sponsor, your company will help cross-promote SMPS Sacramento's events within your publication in exchange for attendance and brand recognition across all programs, special events, and education events hosted by SMPS Sacramento.

Benefits:

- Complimentary tickets for 2 attendees at every SMPS Sacramento event. (Complimentary tickets to jointly hosted events with other associations do not apply)
- Recognition within event announcement email blasts and social media posts promoting each event.
- Recognition in the SMPS Sacramento monthly e-newsletter (distributed to a combined 1000+ members and industry partners). Recognition includes a logo,
- 100-word description, and a dedicated section of the newsletter promoting media announcements (upcoming publications, events, and advertising/subscription specials).
- Day-of on-site signage, and sponsor introduction

Media Services:

- Cross-promotion of SMPS events within sponsor's publication (print, email, and/or social media)

***Additional sponsorship option details are available upon request. Please email sponsors@smps-sac.org for more information.**
